Client Todd Architects
Design Sort Design

Having worked with Todd Architects for a number of years, and after implementing a full redesign of their corporate identity, Sort was commissioned by the client to develop promotional materials to showcase the practice's recent work. The final pack included a presentation book, a portfolio booklet and inserts highlighting the practice's work in various sectors. The print featured gold and transparent pearlescent foil-blacked finishes on uncoated and glossy stock.

Used Typeface
Future Bold

"The Modernist clarity of the typeface reflects the architectural aims of the client's practice."
